Learn Hebrew!

Hebrew is the language of God's Chosen People. This is the language God spoke to Abraham. Here are a few rules to follow:

1. Read Hebrew from right to left. So what we consider the last letter of a word or the last page of a book in English is considered the first letter of a word or the first page of a book in Hebrew.
2. Consonants are written on the line and vowels are noted above or below the line, except when a word begins with "A" (Aleph). So the word "Abraham" looks like this in Hebrew אַבְרָהָם, and is sort of read: M_A H_A R_A B_A. Remember to read each line from right to left!

Study the following chart.

English	Hebrew	"English-Hebrew" Equivalent
Abraham	אַבְרָהָם	M _A H _A R _A B _A
God (Aloha)	אֱלֹהִים	A _A L _O H _A
I am (Anochi)	אֲנִי	A _I N _O C _H
Isaac (Yitzac)	יִצְחָק	Y _I S _A C
Jacob (Yacob)	יַעֲקֹב	Y _A C _O B

Use the first two columns to fill in the missing words. Then write the sentence in English. Remember to read Hebrew from right to left.

אֲנִי אֱלֹהֵי אַבְרָהָם אֱלֹהֵי יִצְחָק וְאֱלֹהֵי יַעֲקֹב
